Peter,

PETER A. MOORE, JR., CLERK  
US DISTRICT COURT, EDNC  
BY  DEP CLK

Good day, Sir. This issue is unrelated to the Administrative Release From Captivity, but as my appointed legal representative (Agent) / Executor, I have a few questions for you. I'll be brief.

Here at Granville Correctional Institution, my 8<sup>th</sup> Amendment Rights are being violated. Inmates on RHC P (Restrictive Housing for Control Purposes) are being brought out for recreation in full restraint (ankle shackles, hands cuffed behind the back, belly chain, and padlock), effectively denying us recreation. The facility refuses to respond to our grievances, preventing us from exhausting available administrative remedies under 42 U.S.C § 1997e(a). I have exercised all due diligence by filing several grievances, even by mailing a grievance directly to Raleigh (Nc Dept. of Public Safety). It's been over 30 days, no response (facility tampering with my mail). My questions are: 1) Is the Private Citizen entitled to relief under 42 U.S.C § 1983? 2) Can I file suit without exhausting the grievance procedure, or is that grounds for dismissal? 3) Am I, as a Private Citizen, entitled to representation?

Thank you for your time, support, and continued patience. I look forward to your response.

Sincerely,

Walter

## Amicus Curiae Notice

I, Walter Britt Garrison, a private citizen, am the grantor/settlor of a trust now established. I, Walter Britt Garrison declare that I am a private citizen as described under Section 1 of the 14<sup>th</sup> amendment of the Constitution of the United States, therefore, the emergency banking relief act and the trading with the enemy act do not apply to me. My status as a private citizen renders me non-statutory, non-commercial, and non-U.C.C. the statutes do not apply. The private citizen has immunity, and is not subject to the War Powers act, or the jurisdiction of an emergency War Powers court. Private trust is a special matter, and due to exigent circumstances, I am invoking a court of inherent equity to protect the interests of a private trust that can not be seen by this court at law. I know who the beneficiary of the private trust is, and it is not anyone in this court that I can see. Judge, you are damaging rights to possession, title, and interest in a private trust that only a court of equity has the sole jurisdiction to see. This is not a court of special equity. These proceedings are irreparably harming the holder of right, title, and interest not cognizable by a court at law. Exclude the public and the press from the appeal. As a private citizen, I do not consent to being co-mingled with enemy belligerents. I, Walter Britt Garrison, a private citizen, am not an enemy combatant belligerent. I want the case private and sealed. I want the court to show cause as to why the case should not be private and sealed per these maxims. I want acceptance of the trust or disclaimer.

Show cause through disclaimer, otherwise you are a trustee. and you have to stand in full. furthermore, there is no more concurrent, because there cant be, so there is only exclusive, and if there is only exclusive, then any letters i write have to be acknowledged under exclusive equity. i, Walter britt garrison, do not consent to being a Surety or accommodating party for the created artificial corporate entity (legal fiction). i, Walter britt garrison, a private citizen, do not consent to a martial due process. the two most important provisions in the united states constitution for the private citizen are: the 5<sup>th</sup> amendment due process of law at the federal level, which is civilian due process; and the 14<sup>th</sup> amendment due process of law at the state level, which is also civilian due process. in this affidavit of a private citizen, i, Walter britt garrison, fully indemnify you and grant you the broad authority of the private citizen to allow you to obtain the private side of the accounting. i, Walter britt garrison, grantor/settlor, am before the court as a third party intervenor acting as agent and authorized representative for the principal. this is a war powers court, and i, Walter britt garrison, a private citizen, am being denied civilian due process, and i have to abate. i, Walter britt garrison, having the status of private citizen, insist upon the right process. Since the statutes do not apply, and this is a private trust, and the court does not have jurisdiction in equity rule on a private trust, this matter must be abated or dismissed. Show cause as to why the matter should not be dismissed. i, Walter britt garrison, a private citizen, notify the court with an amicus, in the public court, you are giving my

private business trust a martial process. the judicature act of 1873 states: "When there is a conflict between the rules of law and the rules of equity, the rules of equity shall prevail."

## declaration of status

I, Walter britt garrison (non-corporate / non-commercial) a natural person, a living breathing human being, declare that i am not a "united States citizen" subject to it's jurisdiction. the "united states" is a corporate entity created by the united states constitution. any document i may have ever signed, in which i answered "yes" to the question "are you a U.S Citizen" can not be used to compromise my status as a sovereign, nor obligate me to perform in any manner. this is because without full written disclosure of the definition and consequences of such supposed "citizenship", provided in a document bearing my signature given without any misrepresentation, deceit, fraud, or coercion, there can be no legally binding contract. i, Walter britt garrison (non-corporate / non-commercial), a natural person, a living breathing human being, am not a "resident of," an "inhabitant of," a "franchise of," a "subject of," a "ward of," the "property of," the "chattel of," or "subject to the jurisdiction of," any corporate federal government, corporate state government, corporate county government, corporate city government, or corporate municipal body politic created under the authority of the united states constitution. i, Walter britt garrison (non-corporate / non-commercial), a natural person, a living breathing human being, am not subject to any legislation, department, or agency created by such authorities, nor to the jurisdiction of any employees, officers, or agents deriving their authority therefrom. the 14<sup>th</sup> amendment creates a lower class of citizen ("citizen of the United States") rather than the higher

class of citizen ("Citizen of one of the several states of the union"). the remedy provided to the 14<sup>th</sup> amendment is an act of congress known as "15 U.S Statute at large", July 27, 1868 (one day before the 14<sup>th</sup> amendment took effect) also known as the "expatriation statute". my remedy is to claim to be a natural citizen "living on" the state. this makes me a higher status of citizen, and not subject to the article 4 loophole that deprives me of my rights. furthermore, i, Walter britt garrison (non-corporate / non-commercial), a natural person, a living breathing human being, am not a subject of the administrative and legislative article IV courts of the several states, or article I courts of the united states, or bound by precedents of such courts, deriving their jurisdiction from said authorities. — take notice, that i hereby revoke, cancel, and make void ab initio any such instrument or any presumed election made by any of the several states, or the united states government or any agency or department thereof, that i am or ever have voluntarily elected to be treated as a united states citizen subject to it's jurisdiction or a resident of any territory, possession, instrumentality, or enclave under the sovereignty or exclusive jurisdiction of any of the several states or of the united states as defined in the united states constitution in article I, section 8, clause 17 and article IV, section 3, clause 2. i, Walter britt garrison (non-corporate / non-commercial), a state national, grant my express written consent for the executor appointed to administer my estate and all property by the public

of friendly or non-combatant status in regard to my relationship  
With the united states.
